

SEWER REPLACEMENT AND STREET REPAVING COMING TO BUENA VISTA AVENUE EAST

Contract 1187i

Project Description

San Francisco Public Works has hired Precision Engineering, Inc. to perform pavement renovation and sewer replacement on **Buena Vista Avenue East between Upper Terrace and Haight Street.**

This work is scheduled to begin on April 27, 2023 and take approximately 3 months to complete. The anticipated work schedule is subject to change due to rain delays, equipment breakdowns or unforeseen field conditions.

All blocks in this area will be repaved and receive a new sewer main. All sewer laterals, which connect household plumbing to the sewer main, will be inspected and replaced on an as-needed basis.

The first step of this project will be sewer main replacement, which will begin at the bottom of the hill at the intersection of Buena Vista Avenue East and Haight Street and progress up toward Upper Terrace. Once all of Buena Vista Avenue East's sewer main has been replaced, our crews will then inspect and replace sewer laterals on an as-needed basis. Then, all of Buena Vista Avenue East will be re-paved, starting at the bottom of the hill.

You will be receiving another notice about this work from the contractor roughly ten days before the start of construction.

Please Note: No interruption of sewer service is expected during construction. Please continue to use your household plumbing as usual.

Impacts and Restrictions

Street parking will not be possible near the work zone during construction work hours. Please see the posted barricade signs for exact work hours, days, and locations. Work hours may vary depending on the construction task.

Vehicles parked in the construction zone during the posted work hours will be towed at the vehicle owner's expense. "Tow-Away/No Parking" signs will be posted a minimum of 72 hours prior to start of construction to alert motorists of upcoming parking restrictions.

We apologize for the inconvenience and thank you for your patience as we make improvements to San Francisco.

Work Hours

Monday - Friday: 7AM – 5PM

Saturday-Sunday: 8AM - 6PM

Note: Weekend work is allowed however none has been scheduled at this time.
