# 30-Day Notice: Lombard Street Vision Zero Project

---

**What:** San Francisco Public Works will begin construction of new infrastructure features on Lombard Street from Richardson Ave to Van Ness Ave. Work includes pedestrian safety enhancements, and installation of new water and sewer main pipe.

**Who:** M Squared Construction Inc. is the contractor.

**When:** The anticipated start date for the project is September 20<sup>th</sup>, 2018  
**Weather and/or construction issues may impact the schedule.**

**How:**

- Cut trench in pavement; remove pavement and fill material
- Install new main piping
- Backfill trench & install temporary asphalt as work moves forward
- Make service connections to new pipes
- Final trench paving and street restoration

***There may be periods of inactivity within construction schedule.***

**Pre-construction activities:** Crews will be locating and marking existing utilities with spray paint and digging to verify underground utility locations.

**What to expect during construction:**

- There will be noise, vibration, dust, parking and traffic impacts in work zone and disruption to normal neighborhood activity.
- Businesses and residents in the work zone will maintain access to their garages, although there may be temporary delays.
- Parking will be prohibited in the work zone during work hours. ***Please see posted signs for exact details.***
- A city construction inspector will be on-site during work hours and may be able to assist you with construction concerns. Inspectors typically wear an SFPUC yellow safety vest and hard hat.

### Workdays & Hours (Weather Permitting)
