Project Scope

Planning Recap

Noe Valley's 24th Street ...An Urban Village

Plan prepared for

Plan prepared by
URBAN ECOLOGY

History of Meetings

- **First meeting – November 2006**
 - **Three options proposed:**
 - **Village center**
 - **Village streets**
 - **Village hubs***

History of Meetings

- **Second meeting – December 2006**
 - **Streetscape Amenities**
- **Third meeting – March 2007**
 - **Discussed final plan from combined community feedback.**

Community Priorities

- To bring out the “family friendly” nature of the street.
- To create a distinct identity for the commercial corridor.
- To make “complete streets” that caters to the needs of a diverse group of people with a high level of accessible amenities.

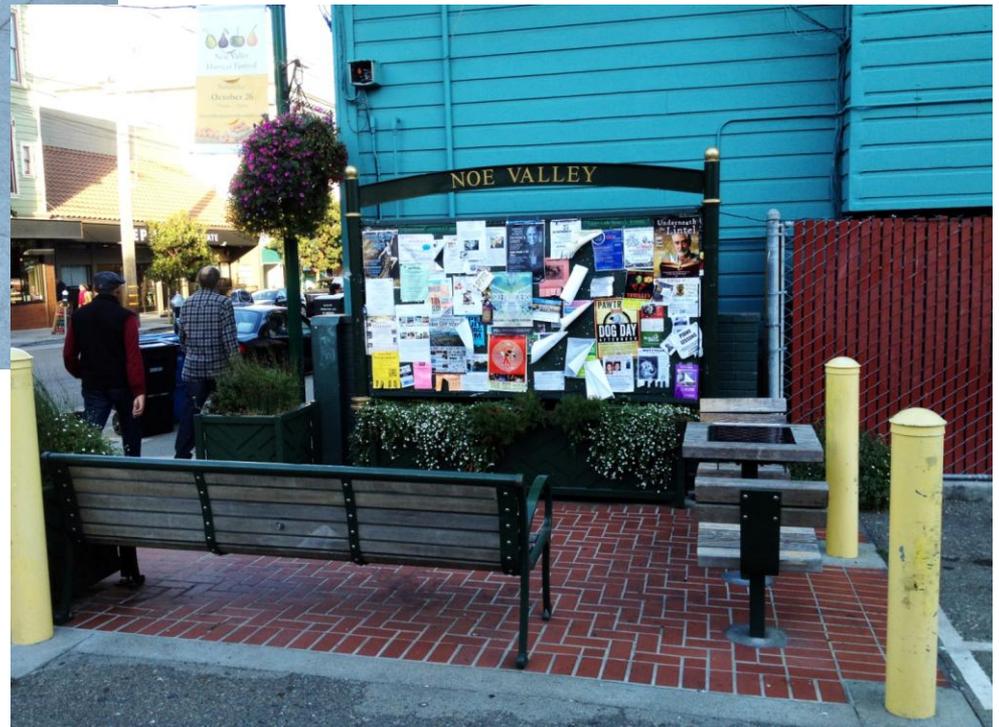

Village Hubs

- Community Hubs built to date:
 - **Between Noe and Castro**
 - **Between Sanchez and Noe**
 - **Between Church and Vicksburg**

Village Hub – Noe & Castro

Village Hub – Sanchez & Noe

More benches for public seating, planter boxes, newly planted garden, and flower baskets

Village Hub – Church & Vicksburg

Other Streetscape Improvements

Parklets

Flower baskets

Other Streetscape Improvements

Sidewalk planters

Hubs at Bernies/Just for Fun

Transit Hubs

Bus Bulb-outs

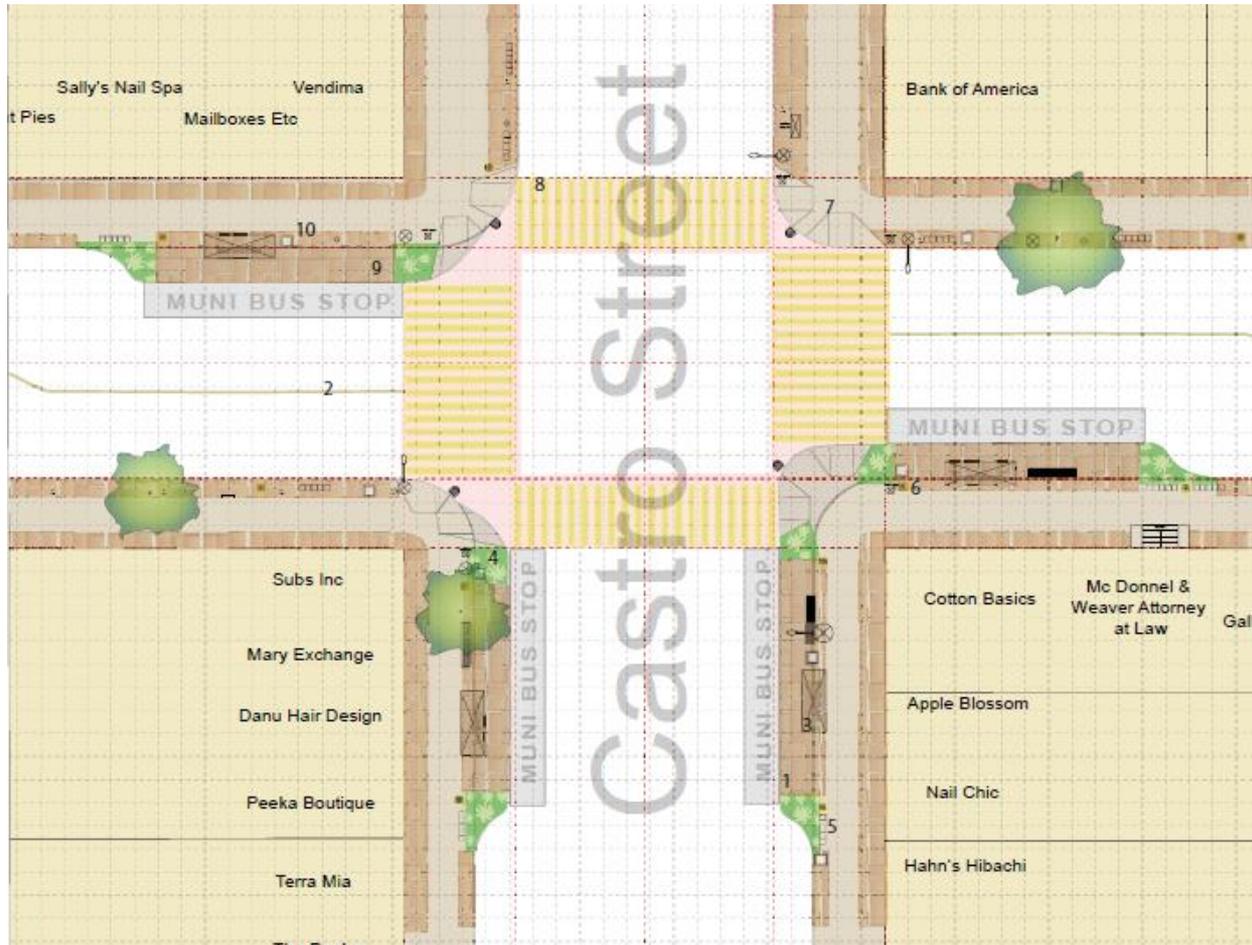

Decorative Crosswalks

Castro Street Hub

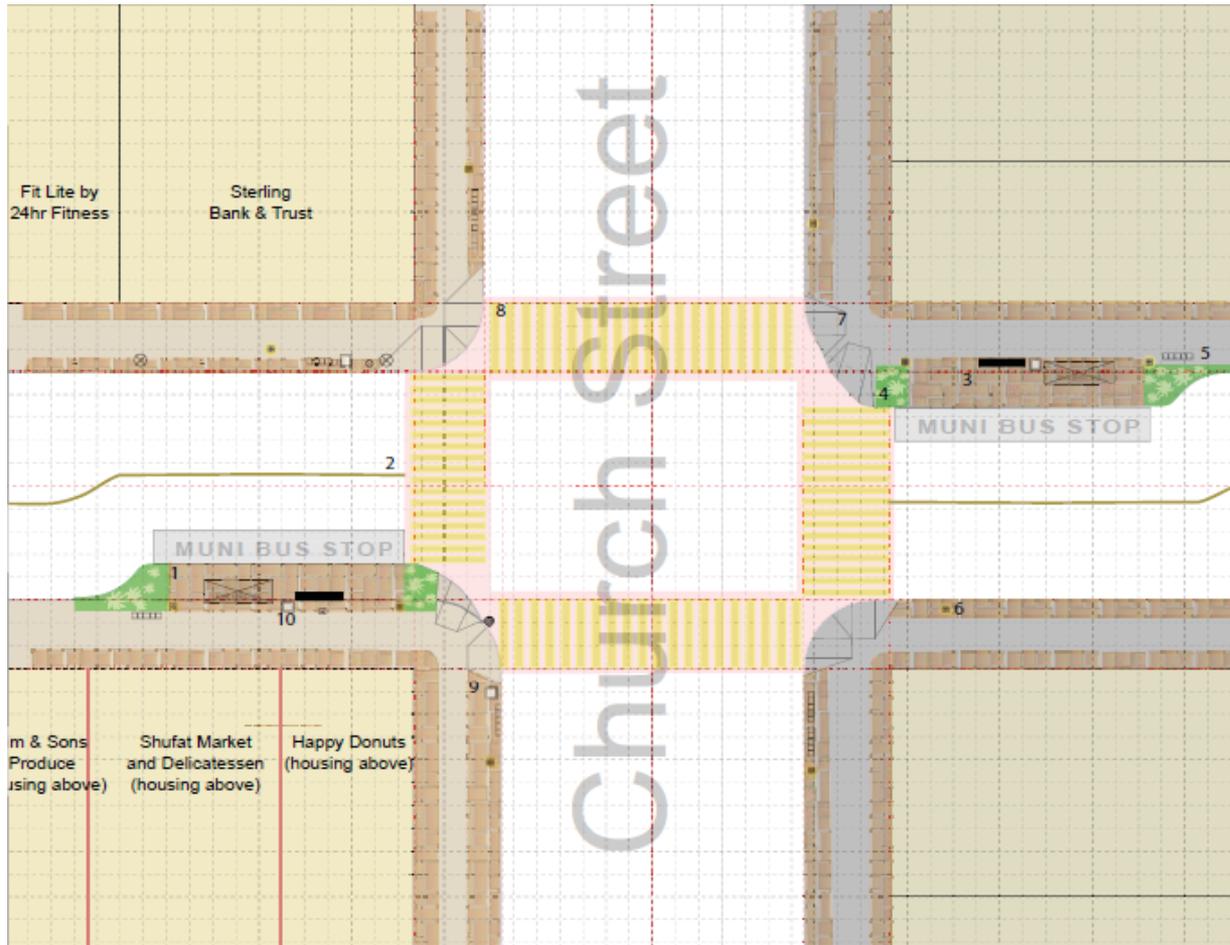

Noe Street Hub

Church Street Hub

Streetscape Amenities

Break-out session

- In your groups, you will be given 5 stickers representing +/- \$100,000 each.
- Choose which transit hub features and locations you wish to be built, based on your preference and the cost of each improvement.
- Comment on proposed materials palette and streetscape amenities
- Conclude with a debrief of the findings of each group.

Report back
